Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from A Syllabus of Ethics The present sketch is an outgrowth of work done during several years with my classes in the St. Louis High School. In its present form, however, the sketch has been prepared directly with a view to meeting the needs of the St. Louis Society of Pedagogy in so far as one of the Sections of that Society is organized for the express purpose of studying Ethics. My aim has been first of all to furnish a guide to what I cannot but regard as a specially fruitful method in the study of Ethics, rather than to present an elaborate scheme of the science of Ethics as such. On the other hand, as in my Syllabus of Psychology, so here, I have omitted details and have sought thus to bring into so much the clearer view the essential aspects of the subject, and have attempted also to indicate the vital relation which those aspects sustain one to another in the organic unity of human life.
