Brand New Book ***** Print on Demand *****.Abruptly, in the middle of those sunny and windy flats, he came upon a sort of cleft almost narrow enough to be called a crack in the land. It was just large enough to be the water-course for a small stream which vanished at intervals under green tunnels of undergrowth, as if in a dwarfish forest. Indeed, he had an odd feeling as if he were a giant looking over the valley of the pygmies. When he dropped into the hollow, however, the impression was lost; the rocky banks, though hardly above the height of a cottage, hung over and had the profile of a precipice. As he began to wander down the course of the stream, in idle but romantic curiosity, and saw the water shining in short strips between the great gray boulders and bushes as soft as great green mosses, he fell into quite an opposite vein of fantasy. It was rather as if the earth had opened and swallowed him into a sort of underworld of dreams. And when he became conscious of a human figure dark against the silver stream, sitting on a large boulder and looking rather like a large bird, it was perhaps with some of the premonitions proper to a man who meets the strangest friendship of his life.
